Mission

Green Hills Academy nurtures a community of Caring, Inquisitive and Principled Learners who pursue excellence and contribute to an equitable world.

Core Values

- **Integrity:** caring, collaborative, respectful and welcoming of diversity
- **Intellectual Curiosity:** critical thinker, creative, innovative and reflective
- **Inclusivity:** responsible, respectful and guided by strong moral principles

IB CURRICULUM

Green Hills Academy is authorized by the International Baccalaureate (IB) organization to offer the Primary Years Programme for learners in Nursery 1 to Grade 5, the Middle Years Programme for learners in Grades 6 to 10, the Diploma Programme (IBDP) and Career-related Programme (IBCP) for learners in Grades 11 and 12. IB World School shares a common philosophy and commitment to providing a high-quality, challenging, international education that prepares learners for further study in university and fulfilling lives.

CHILD EMPOWERMENT

Green Hills Academy empowers learners with child-centered learning that offers relevant technical, leadership, artistic, and values skills, thus boosting children's confidence and desire to explore more interests and discover talents to make them well-rounded individuals.

21ST CENTURY EDUCATION

From the adoption of digital learning, career guidance, and leadership opportunities, GHA ensures that your child is equipped with the necessary skills to discover who they are, prepared for the future, and thrive in today's digital-fast world.

PERSONALIZED LEARNING

With our all-rounded and peer learning education strategies and extracurricular activities, GHA tailors the learning process to accommodate your child's unique needs and bring out their brilliance. Excellence is at the heart of everything we do.

SAFE AND DIVERSIFIED ENVIRONMENT

Our learners understand the importance of being global citizens by embracing diversity and celebrating the different cultures that make up our school. Hence, children can learn and play freely while gaining a global outlook and multilingual education from multi-national educators and peers.

WORLD-CLASS FACILITIES

At GHA, we offer ever-expanding living and learning environments with our world-class boarding facilities, science and ICT labs, music and art rooms, gym, pool, and sports field; to provide your child with a comfortable and enriching environment that is created to make the boarders feel and participate as a family away from home.

BOARDING SCHOOL

Our commitment extends beyond academics. For those who choose to reside on campus, our modern Boarding House accommodates nearly 100 students, ensuring a safe, nurturing environment. Separate wings for boys and girls, along with low student-to-room ratios, offer individualized attention. Solar-heated water, laundry facilities, and a backup generator guarantee a comfortable and secure living experience. Our Boarding House thrives on dedicated

House Parents and staff who provide support and supervision. Weekends are a blend of relaxation and engagement, offering sports tournaments, service-learning projects, trips, cinema visits, and more. Students also have access to sports facilities, including football fields, a basketball gym, and a swimming pool, all under expert guidance.
